Courtyard I & II Homeowners

As you hopefully read, we're having fox tail palm trees delivered to Bell Tower Park almost immediately.

Your sections of the Community suffered the most tree loss from the storms and disease. The Landscape Committee has driven the neighborhood to determine and select which homes to distribute these trees. And 64 homes within your Courtyard neighborhoods were selected to receive a tree.

To facilitate the process, the contractor will be **delivering trees directly to the selected homes this weekend**. They will be back into BTP next week to plant them. So please be on the look out for these trees over the next couple of days.

This will be a great opportunity to help bring BTTP back to where it was, prior to the issues we've had over the last seven years.

Thank you!!

Ron McEwan,
BTP POA Board President
