

## **February 20<sup>th</sup>, 2025 - Notes to the Community -**

Hello BTP owners and residents,

A note was sent out yesterday [ the 9:54 a.m. message ] that outlined a plan to close off the pedestrian gates with a temporary construction tape material to help deter entry, until the gates are reinstalled.

The concern was ease of exit/entry for the kids in our community – putting them in danger by getting out and then back in to/from the bus stop on Andrea Lane.

With that in mind the right decision was made to leave the gates open over the next week and a half or so to make sure that we address the safety of our young people.

I spoke with the General Manager of Hands Free, our gates contractor, earlier and he will try his best to move us up in the “que” to enable delivery of the repaired gates as soon as possible.

Thanks everyone who took the time to contact the office or me about your concerns – much appreciated!!!

**Ron Mc Ewan, Board President**
