Bell Tower Park Property Owners' Association

BELL TOWER NOTES II

Published by the Bell Tower Park Communications Committee

Computer Information Session at BTP

Photos and Article by Nina Anderson & John Fuller

The Communications Committee hosted a Computer Informational Session at the BTP clubhouse on March 8th. Attendees were instructed on how to register for, and navigate, the new official Bell Tower website. Website leaders, John Fuller and Nina Anderson, explained various areas of the website and answered questions, while John Scardella offered individual assistance to various residents in attendance. Other members of the Communications Committee that were on hand to assist included Kathleen McClanahan-Gruhl and Michael Lewis.

If you need assistance with any part of the website, please email:

btpcommunications@hotmail.com, and one of our website experts will contact you.

The website:

www.BellTowerParkCommunity.com,

was approved by the P.O.A. board at the February 2025 meeting as the official website of the BTP community. In the future, all information will be disseminated through this site.

If you have neighbors who have not joined the site, please encourage them to do so. A website team member is even willing to meet residents at the clubhouse for one-on-one instruction if necessary.

The website is accessible on any mobile device from anywhere in the world, but to receive information specific to our community, you must register as a resident of BTP to access the Resident Dashboard. Features on the Resident Dashboard include:

- Activities/Social Events
- Calendar
- Committees
- Documents
- Forms
- Helpful to Know
- Landscaping
- Messages, Articles, Newsletters
- News & Announcements
- POA & Sub Association Boards
- Resident Directory**
- Something to Fix

***Our website team leaders,
John Fuller & Nina Anderson,
are happy to help.***

Besides input from the CAM office, the website is primarily maintained by volunteers in the community and is still a work in progress. Please be patient as we continue to modify and improve the site daily.

****ALSO PLEASE NOTE:** Residents have the option to register for viewing the complete website and having their contact info visible or hidden in the Resident Directory. If a resident is 'hidden,' he/she will still receive information that is sent out through the website by the office, but his/her personal information will not be displayed in the directory.
