

**MEETING TOOK PLACE ON MAY 1, 2025 IN THE BTP CLUBHOUSE & ON ZOOM  
MINUTES TO BE REVIEWED AND APPROVED AT JUNE 5, 2025, MEETING**

**CALL TO ORDER:** Nina Anderson called the meeting to order at 10:05 A.M. Present were Nina Anderson, John Fuller, Jim Stewart, Ron McEwan, representing the POA Board, Board Members, John Scardello and Mike Lewis. Annie Granatino attended via Google Meets.

**REVIEW OF PREVIOUS MEETING'S MINUTES:** Motion to approve the minutes from the April, 2025 meeting was made by Annie Granatino and seconded by John Fuller. The motion passed unanimously.

**BUSINESS DISCUSSED:**

Bluestream has replaced the wifi in the office replacing the old Comcast wifi. This should help during meetings that use online platforms in tandem with the OWL.

Nina and John Fuller continued to work on the OWL system to make sure it is working properly. Nina and John Scardello will head north this week and attend meetings via Zoom or Google Meets.

Nina went over several functions of the website, explaining what changes and additions are possible and who will have the authority to make them. The office is working on getting NEW non-registered residents signed up on the new website. As of this date, only 2 people have asked not to be listed on the community site.

The website team is reviewing what is "missing" or incomplete on the BTP POA website in order to be in compliance with Florida statutes. We need to upload 'old' information to comply with 7 years of finances, contracts, documents, etc., but the only thing that seems to be "missing" from the site is the contract with Cardinal.

**NEXT MEETING:** The next Communications Committee meeting will be on Thursday, June 5, 2025, at 1:00 P.M. in the Clubhouse and on Google Meets.

**ADJOURNMENT:** The meeting adjourned at 10:48 A.M.
