Enhancing Our Platform with New Sponsors on the BTP Website

Article by Nina Anderson

At the Bell Tower Park meeting on December 16, 2025, the POA Board passed an initiative proposed by the Communications Committee, which would allow local businesses to advertise their services on the BTP POA website.

Do you own a business that you would like listed on the website's "Local Businesses" page? Do you work for a company that would like to advertise its business on our webpage? This may be the place for you!

For just a few dollars a month, this is an opportunity to showcase your business to the over 1,000 residents who live at Bell Tower Park. From Pet Care to Plumbers, Handyman Services to HVAC, Restaurants to Renovations, the "Sponsored Businesses" page may be perfect for your business.

Our new feature will go live on February 1, 2026. Residents are encouraged to patronize our sponsoring businesses as their participation in this initiative will help defray the annual costs associated with the BTP POA website.

The Bell Tower Park Property Owners Association and its Sub-Associations do not endorse, guarantee, or warrant any products or services that will be advertised on the website.
