## Amenities Committee Update: Keeping Bell Tower Park Beautiful, Safe, and Enjoyable

Article by Nancy Sanders, Photos by John Fuller & Nina Anderson

The Bell Tower Park Amenities Committee would like to thank all residents for helping make our community such a wonderful place to live. From our sports courts and fitness center to the clubhouse, tot lot, art gallery, and walking trail, these shared spaces are a big part of what makes Bell Tower Park special. To keep everything running smoothly and looking its best, we'd like to share a few important reminders:

### Sports Courts (Pickleball & Tennis)

Please remember to close and secure the gates when entering and leaving the courts. The hinges are beginning to wear due to gates blowing open in the wind. Also, take a moment to kick or remove any stones or debris from the courts before play, as they can create safety hazards for players.

### Clubhouse Etiquette

Residents are reminded that doors should not be propped open in the clubhouse. We've

received feedback that the space has been unusually humid, and open doors make it difficult for the air conditioning system to maintain a comfortable temperature for everyone.

### Tot Lot Safety

Parents and guardians are asked to closely supervise children at the Tot Lot (Children's Playground). The gate is currently in need of repair, and while we are actively working on a fix, it may take some time. Safety is our top priority, and we would prefer not to restrict access if it can be avoided with extra vigilance. You will notice a nice clean fence in this area as well!

### **Pool Area Cleanliness**

Please help keep our pool areas enjoyable for all by cleaning up after yourselves. There have been increasing reports of trash being left behind. A quick cleanup before you leave goes a long way in maintaining a welcoming environment for your neighbors.

We appreciate everyone's cooperation and shared commitment to keeping Bell Tower Park's amenities safe, clean, and enjoyable for all residents. Thank you for doing your part!

The next Amenities Committee meeting is June 23<sup>rd</sup> at 2:00 P.M. in the Bell Tower Park Clubhouse. All residents of BTP are welcome to attend.
